MEXICO CROSS-BORDER

PRE-CROSSING CHECKPOINTS

Use the checklist below to confirm key requirements as you prepare your shipment to enter Mexico.

BEFORE PICKUP **Confirm the foundation**

- ☐ Importer registration confirmed
- ☐ Mexican tariff classification and NICO verified
- ☐ Commodity-specific requirements identified

BEFORE ARRIVAL **Get everyone working from the same information**

- ☐ Commercial invoice and shipment details aligned
- ☐ Customs broker has final documentation
- ☐ USMCA origin information confirmed, if applicable

AT THE BORDER **Keep customs and transportation coordinated**

- ☐ Clearance status communicated to transportation team
- ☐ Carrier / equipment handoff coordinated
- ☐ Any inspection or customs updates shared across parties

AFTER CLEARANCE **Keep the shipment moving**

- ☐ Mexican carrier released to continue movement
- ☐ Delivery timing reconfirmed
- ☐ Consignee receives updated ETA
